

St. Luke's Hospital Education to Employment *Imaging Technologist* Scholarship Program

The scholarship program at St. Luke's Hospital (SLH) in Chesterfield, MO, St. Luke's Des Peres Hospital (SLDP) in Des Peres, MO, or Outpatient settings is designed to provide financial support for Imaging Technology Students enrolled in an accredited imaging technology program. Our goal is to raise awareness, increase the number of imaging technologists entering the profession and provide opportunities for employment at our St. Luke's Hospitals or Outpatient Settings. Two \$5,000 scholarships will be awarded.

Admission Criteria:

- Enrolled and accepted into a full-time JRCERT accredited associate or baccalaureate degree imaging technology program and graduating within 12 months.
- Résumé.
- Have a minimum GPA of 3.0 or higher on a 4.0 scale.
- A transcript verifying GPA and current enrollment.
- Letter of recommendation from the program director.
- A typed 300-word essay on why they have chosen imaging technology as their profession.

Required Commitments:

- Student must be in their second year of the Imaging Technology Program.
- Must work as an Imaging Student on a Per diem basis, variable work schedule.
- Required to work 2 years post-graduation as full-time Registered Radiologic Technologist or Sonographer (36 hours per week).
