

St. Luke's Hospital Education to Employment *Laboratory Science* Scholarship Program

The scholarship program at St. Luke's Hospital (SLH) in Chesterfield, MO and St. Luke's Des Peres (SLDP) in Des Peres, MO is designed to provide financial support for Laboratory Science Students enrolled in an accredited laboratory science program. Our goal is to raise awareness, increase the number of laboratory scientists entering the profession and provide opportunities for employment at our St. Luke's Hospitals. Two \$5,000 scholarships will be awarded.

Admission Criteria:

- Enrolled and accepted into a full-time NAACLS accredited MLS or MLT program and graduate within 12 months.
- Résumé.
- Have a minimum GPA of 3.0 or higher on a 4.0 scale.
- A transcript verifying GPA and current enrollment.
- Letter of recommendation from the program director.
- A typed 300-word essay on why they have chosen laboratory science as their profession.

Required Commitments:

- Complete clinical rotations in the lab as assigned.
- Must work as Medical Technician Student on a per diem basis, variable work schedule (minimum of two shifts per month).
- Required to work 2 years post-graduation as a full-time Certified Medical Technician / Technologist (36 hours a week).
